SUMMARY OF PROFESSIONAL EXPERIENCE

David Taylor MD is an Assistant Clinical Professor in the UCLA Department of Psychiatry and Biobehavioral Sciences. He is board certified in three areas:

- 1) Psychiatry, Diplomate of the American Board of Psychiatry and Neurology
- 2) Forensic Psychiatry, Diplomate of the American Board of Psychiatry and Neurology
- 3) Addiction Medicine, Diplomate of the American Board of Addiction Medicine

In addition, Dr. Taylor is licensed as a Physician and Surgeon by the Medical Board of California and also as a Qualified Medical Examiner for the California Division of Workers' Compensation.

Dr. Taylor works at the UCLA Counseling & Psychological Services and in private practice in Santa Monica. Additionally, he provides professional evaluations and opinions as a Qualified Medical Examiner for the California Division of Workers Compensation, an Expert Reviewer for the Medical Board of California Expert Reviewer Program, and a Special Medical Consultant to the Federal Air Surgeon.

Dr. Taylor graduated from Stanford University and attended medical school at The George Washington University. He completed psychiatry internship and residency at the Hospital of the University of Pennsylvania where he was Chief Resident, and subsequently completed a fellowship in forensic psychiatry at New York University's Bellevue Hospital.

Clinical expertise includes evaluation, diagnosis and treatment of depression, bipolar disorder, anxiety disorders, ADHD, sleep problems and relationship conflicts. Dr. Taylor has performed forensic psychiatric consultations for death penalty mitigation, testamentary capacity, physician impairment, disability, medical malpractice, workers' compensation and fitness for duty.
